There are Chinese language centers in universities such as National Taiwan Normal University (國立臺灣師範大學), National Chengchi University (國立政治大學), and Fu-Jen Catholic University (天主教輔仁大學). Foreign students from all over the world apply to come to Taiwan to study Mandarin Chinese. The website of the Language Center of Fu-Jen Catholic University is located here: <http://www.lc.fju.edu.tw/>. In this center, there are courses offered at the elementary, intermediate, and advanced levels. Besides training in the four skills (listening, speaking, reading and writing), students can also take special courses and cultural courses in philosophy, literary Chinese (文言文), business Chinese, calligraphy (書法), and Chinese painting.
