

Life on Campus

Dialogue: [episode 1]

Andy: Who's she?

Student A: I have no idea. I've never seen her before.

Student B: I've got it! I saw her at the post office once! She's a student at the Chinese Language Center.

May: I know her. Her name is Nana.

Andy: Look! Cooper keeps taking pictures of her.

May: Your eyes are fixed on her too.

Student A: Well, she's attracting the attention of half of the photographers.

Student B: That's right, she's just so pretty!

May: Of course, Nana won the Miss University award last year.

Dialogue:

Award presenter: Ladies and gentlemen, the award for Best Photographer goes to.....

Ya-hao Lee, Cooper, from the Graduate Institute of Cross-Cultural Studies.

May and others: Hooray!! YES!!!

MC: Cooper won the same award last year, too.

Award presenter: Wow, great job! Good for you!

MC: And now, ladies and gentlemen, the award for Miss Photogenic goes to Nana from Japan.

Andy: Ahhhh, she takes my breath away.

Others: Hey, wake up! Nana's here!

Student A: Oh, I see... This is Mr. Photogenic!
