

Dialogue: [episode 5]

Cooper: Let's hide in the hallway.

Nana: Okay, let's hurry!

Cooper: Sorry to get you wet. I'm really sorry about it.

Nana: It's ok. It's not your fault. You're soaking wet, too.

Cooper: I'm alright. It's like a swimming class then.

Nana: Well, thankfully I have other clothes in my bag. I'm going to go change.

Cooper: Thank heavens you brought them!

Nana: I'll be back in a minute. Here, take this towel.

Cooper: Thanks a lot!

Nana: Hey, you're still wet! I guess you really like this swimming class, huh?

Cooper: Huh? What swimming class?

Nana: You're so funny! See, the towel is still dry.

Cooper: Yes.
